RECOMMEND US AND WE WILL REWARD YOU **GENEROUSLY!!!!**

Our 'Get Recommending' referral scheme gives you a **3% rebate from the first order that every person places with us from your recommendation\*** It's as simple as that.

We like to reward our customers for promoting us to their friends and contacts. The reason is simple - **you can't beat word of mouth recommendation.**

There's **no limit** to the rebate that we'll give you - the more new customers who order as a result of your recommendation, the more money you will get.

## HOW DO I REFER?

Most people recommend their friends and contacts by speaking to them. Alternatively fill out the form overleaf and send it to them. When they place their first order they must send us the form.

**You will then be rewarded with a 3% rebate from their first order!**

## HOW DO I RECEIVE MY REBATE\*\*?

*We can either . . .*

- Send you a cheque to the value of 3% of their FIRST order
- Send you the same value in your choice of goods\*\*\*
